

Newbattle Abbey College

Preparation for Further Education

Join us at Newbattle Abbey College to learn new skills and help you gain confidence to progress with your learning or employment goals in 2013.

This course offers two different routes into either landscaping or social sciences. The subjects offered on landscaping include gardening, estate maintenance and self employment with computer skills, literacy and numeracy. The social science course simply offers computer skills, literacy, and numeracy with the option to study politics, sociology, psychology, history and creative writing.

See Course Framework overleaf.

There are no course fees and bursary funding is available for people who are eligible. There may be help available for childcare. If you would like further details or wish to apply, please contact: office@newbattleabbeycollege.ac.uk or phone : 0131 663 1921

If you complete this course successfully, you can progress to the full-time Arts & Humanities Award Course or the National Certificate in Rural Skills at Newbattle Abbey College.

Start Date:

22 January
2013
